

LAUREN KIRBY
COMMERCIAL & INVESTMENT SALES
LAUREN@CLEMONSLIFE.COM
CLEMONS REAL ESTATE, LLC

Lauren joined Clemons Real Estate in 2019 after receiving her Master of Science in Entrepreneurial Real Estate from UMKC's Bloch School of Management. Prior to joining Clemons, Lauren worked for KW Commercial, and specialized in working with commercial property owners and tenants within the Kansas City Metro area. Her experience as well as highly-specialized degree makes her well-positioned to assist buyers, sellers, landlords, and tenants with nuanced real estate needs.

Prior to working in real estate, Lauren worked in multimedia and radio broadcasting, producing editorials for several National Public Radio programs.

Although a Kansas City native, her multimedia work allowed her to travel coast to coast and most notably, sent her to India for a year to establish the media footprint for an NGO dedicated to the rights of women and children. Her broad worldview and ability to think outside the box make her a valuable asset to any real estate endeavor.
